Answer:

Other Comments/Feedback:

Industrial

Industrial activity is important to many local economies. Recent studies show that this region is reliant on oil & gas, construction, crop & animal production and health care as major economic generators.

Question:

Should we look at developing industrial activities?

Answer:

Question:

If industry should be a focus what industrial opportunities do you think could strengthen /diversify Kitscoty's economy and attract new people?

Answer:

Other Comments/Feedback:

Servicing Infrastructure

Infrastructure limitations can severely impact a community's ability to grow. The high cost of servicing is sometimes viewed as a risk when the costs are paid for before development occurs.

Question:

Are you aware or have you experienced any issues with the village's infrastructure and servicing networks (water, sanitary, stormwater (drainage))?

Answer:

Other Comments/Feedback:

Residential

The majority of housing in Kitscoty consists of single-detached homes and very few duplex or townhouse type dwellings with limited options for rental housing.
